Luke 2:52:

And Jesus increased in wisdom and in stature, and in favor with God and man."

This Year's Theme: Get Wisdom!

- Wisdom is knowledge that is practically and skillfully applied to all of life. We seek to take the truths of the Bible and apply them, knowing that from God's Word we have everything for life and for godliness (II Peter 1:3)
- In Sunday School, we will be studying the Wisdom books of the OT: Job, Psalms, Proverbs, and Ecclesiastes. On Wednesdays, we will use both the OT and NT to help the teens apply biblical knowledge in order to skillfully and successfully live a godly life.
